DIRECTOR'S REPORT

June 12, 2023

Building/Equipment:

Buck visited the Jeffersonville and Callicoon locations with three other consultants to evaluate our heating and cooling systems. We are waiting for recommendations.

Since the state aid was not approved for the alley-side window restoration, I will work with Buck to update the plans to include in-kind window replacement. The next step will be to send the plans to SHPO (State Historic Preservation Office) for their evaluation.

Ramapo Catskill Library System 2024 Menu of IT Services Appendix B Year 2 of 5

RCLS requests confirmation of the level of IT Services to be provided by the System to the Supported Library. The Library's selection of the level of IT Services will enable predetermination of costs and careful planning for any necessary preparation, procurement or training needed for 01/01/24 - 12/31/24. The 2024 Menu of IT Services is due to RCLS by **June 30, 2023.**

In 2022 your Library selected the level of participation as a **Fully Supported Library**. This means that only RCLS manages the member Library's IT infrastructure. Third-party vendors are required to work with RCLS to secure the network. A Fully Supported Library may transition to a Hybrid Library once during the five-year term of the contract by giving at least six (6) months' notice.

Ramapo Catskill Library System 2024 Menu of IT Services Appendix B Year 2 of 5

RCLS requests confirmation of the level of IT Services to be provided by the System to the Supported Library. The Library's selection of the level of IT Services will enable predetermination of costs and careful planning for any necessary preparation, procurement or training needed for 01/01/24 - 12/31/24. The 2024 Menu of IT Services is due to RCLS by **June 30, 2023.**

In 2022 your Library selected the level of participation as a **Fully Supported Library**. This means that only RCLS manages the member Library's IT infrastructure. Third-party vendors are required to work with RCLS to secure the network. A Fully Supported Library may transition to a Hybrid Library once during the five-year term of the contract by giving at least six (6) months' notice.

Tusten Heritage Community Garden

POB 343 Narrowsburg, New York 12764

Report to Library Board June 12, 2023

New Business

On May 6, the Tusten Heritage Community Garden had an opening day to the 2023 season. "Farm Arts Collective Director" Tannis Kowalchuck from Willow Wisp Organic Farm came with her annual flower seedlings to transplant into two prepared garden beds.

Members of the community garden including several new members, and many local volunteers, were on hand to assist in weeding, cleaning the beds, planting vegetables, and watering this labor of love dedicated to the sustainability of pollinators. In the back of the garden, we have Blue Birds nesting and chicks in the birdhouse. Currently, all community garden beds are taken.

Member Rosie Starr of WJFF Radio Farm & Country Broadcast featured the Annual Opening Day event on her "Farm & Country program" (link added).

May 21, The River Reporter had an article on local community gardens and included information about the Tusten Heritage Community Garden!

Frost Advisory issued May 25. Despite drought and frost setbacks, resilient gardeners prevailed by covering their beds with cloth and bringing water for their beds.

In the process of connecting / meeting with new NBG volunteers and Fabiana Lotito, who can help take care of the Demauro Walking Trail Pollinator Gardens and Public Orchard to show them the watering system and work out a maintenance plan for mulching, watering, weed wacking & mowing the outside area of the community garden.

Planning to coordinate with Delaware Valley Arts Alliance and Tusten Social to co-sponsor some events to be held in the garden this summer.
